

Assumption Regional Catholic School

PREK - 4

Curriculum

Our preschool curriculum is centered on guiding and developing your child's growth spiritually, socially, emotionally and academically. We encourage independence and strive to build their self-esteem. We do not say "I Can't" in our class. We say "I can do my best".

Discipline Policy

It is our policy at Assumption Regional Catholic School to use positive discipline in our Pre - K Program, as a process of teaching children how to behave appropriately. Our policy and structure are designed to provide each child with routine and consistency. In the event a child experiences difficulty within the classroom, we will attempt to divert the child's attention to an activity which will remove him/her from the situation.

*Should you ever have any questions or concerns please feel free to talk with the teacher.
