1. Research and choose a novel to read over the summer. It should fit your interests. You can look for books at your local library, or go online and read suggestions and reviews, before you choose. Some great websites are Scholastic, Good Reads, Epic, etc.
2. Write a summary* of your book. This can be typed or *neatly* handwritten. Make sure your full name is on the paper. This should be a minimum of 3 paragraphs. It should have **all** the elements of a story. **Setting, Characters, plot, conflict, resolution/conclusion, point of view, theme.**
3. Then, in a few sentences, provide your opinion about the book. Include **supporting details** of your opinion. This means, if you say that the book was good, you need to EXPLAIN what the word "good" means. Be specific with **details** from the book.
4. This will be collected on Tuesday September 13, 2022.
